Subject: Notification of Unanticipated Local Travel

Jerry,

1. Today I am planning to deliver a letter which was returned by the US Postal Service sent by us to a Dimock resident. It was intended to be received by a tenant, so the property owner has already received the sample results. Joanna is willing to try and make a hand delivery, so I am going to take the letter to Ex. 6 - Personal Privacy to give it to her this afternoon.

Non-responsive

Just FYI.

Rich
